

## PRODUCTION DATA SHEET

### 340IU

D- $\alpha$  Tocopherol Acetate  
Power

**Description:** Vannu® 340IU D- $\alpha$  Tocopherol Acetate Power is a white or off-white free-flowing powder. It is widely used as nutritional supplements in livestock feed.

Properties	Specification	Typical Quality
Appearance	White or off-white free-flowing powder	OK
Heavy metal (Pb)	$\leq 10\text{ppm}$	OK
Acidity	$\leq 0.5\text{ml}$	0.3ml
Assay (Alpha tocopherol acetate) %	$\geq 25\%$	25%
Assay (IU/g)	340IU	340IU
Loss on drying	$\leq 5\%$	3%
Total plate count	$\leq 1000\text{CFU/g}$	OK
Yeasts and moulds	$\leq 100\text{CFU/g}$	OK
Specific rotation $[\alpha]_{\text{D}25^\circ}$	$\geq +24^\circ$	25°
Package&Storage	In unopened, original containers, 24 months at 2 - 25°C, (see expiry date on original package) 5kg aluminum foil bag, 25kg drum	
HS code	2936280000	
Health&Safety	Please refer to Material Safety Data Sheet
